### Methamphetamine decontamination

We'll cover your house if contamination damage occurs arising from the manufacture, storage, consumption, use or distribution of methamphetamine.

The damage must be due to:

1. contamination damage that first occurred while your house is insured with us
2. explosion resulting from methamphetamine manufacture during the period of insurance
3. fire as a result of methamphetamine manufacture during the period of insurance.

We'll not pay for contamination damage that first occurred while your house is insured with us under a policy that didn't contain a benefit for claims caused by methamphetamine.

### Methamphetamine decontamination (continued)

If the house has suffered contamination damage we'll pay up to \$30,000 for the cost of repairing it.

If damage has been caused by explosion, we'll pay the costs to repair or replace that damage up to the house sum insured.

If damage has been caused by fire, we'll pay the costs to repair or replace that damage up to the sum insured or if applicable, the limits in the automatic benefit 'Extended sum insured for fire' on [page 24](#).

Before this benefit applies, you must make a formal complaint to the Police about the manufacture, storage, consumption, use or distribution of methamphetamine at your house.

This benefit only applies if the house is rented to a tenant at the time the contamination occurs. You and/or any person responsible for managing your house must comply with the obligations set out in the section 'You have landlord obligations under this policy' on [page 16](#) before we accept any claim under this benefit.

Once we've paid a claim under this benefit, cover under it ceases until an approved contractor certifies that your house has been satisfactorily remediated to the acceptable levels stated in the New Zealand Standard NZS 8510.

#### Excess

We apply an additional excess of \$2,000 in the event of a claim under this benefit. This excess amount is recorded on your certificate of insurance.

### One event - one excess

1. your house suffered a loss covered by this policy
2. we decided it was uneconomic to repair your house
3. the products you've chosen to add or upgrade to are approved by us as sustainable.

We pay this benefit in addition to your sum insured.

5. You must pay all premiums in full by the due date shown on your Slingshot bill. If any premium remains unpaid 58 days following the due date for payment, we may cancel this policy (effective from the first day of the period that the unpaid premium relates).

Open has appointed Slingshot as its premium collection and administration agent for this policy. This means that you must pay any premium due under this policy to Slingshot, in accordance with Slingshot's billing process. Any premium refund you are entitled under this policy will also be provided to you by Slingshot.

If you don't comply with your responsibilities under this section, 'You have certain responsibilities' on [page 46](#), we can decline any claim (and recover any claims payment already made). We can also cancel or avoid this policy.

If we cancel your policy, we'll give you seven days' notice sent, emailed, or posted to your last known address on our records. If we do this, we'll refund your unused premium.

If we avoid your policy, it will be treated as if it had never been taken out. We may also avoid or cancel any other policies you have with us.

If we ask, you'll have to refund any claims payments we've previously paid to you. If we do this, we'll email or post notice of this decision to your last known address on our records. We'll refund, via Slingshot, your entire premium paid less any claims already paid.

# You have certain responsibilities at claim time

Events leading to a claim can be stressful. Your personal safety is paramount, so make sure you and anyone else involved are safe from harm and if necessary, call the emergency services.

Here is a list of what you and any person in charge of your house with your permission must do at claim time.

## Before you lodge your claim

You must:

1. Inform the Police if it appears arson, theft, burglary or malicious damage has occurred and provide details of the complaint to us; for example, the acknowledgement number.
2. Tell us as soon as possible:
  - a. if it's likely that you'll make a claim
  - b. if you or anyone else who may have cover under this policy is charged with any offence that resulted in loss of property or caused bodily injury to someone else
  - c. about any claim made against you by another person, with full particulars and all legal documents served on you.
3. Take all reasonable steps to prevent further loss or liability.
4. Get our permission before you arrange for any repairs or replacement, or incur any expense for any claim.
5. If we ask you to complete a claim lodgement, we ask that you submit that claim within 30 days.

## Once you've lodged your claim

You must:

6. Let us inspect the loss and deal with any salvage reasonably. No property may be abandoned to us.
7. Provide proof of ownership or purchase (such as receipts, bank statements, credit card vouchers, warranties, guarantees, photos, videos, and so on) for any property you claim for.
8. Let us complete all necessary documents and authorities for any claims under this policy as your authorised agent.
9. Comply with all our requests about your claim by providing full cooperation, information and assistance.
10. Not discuss a claim made on you by another person with them; instead, refer them to us.
11. Pay any applicable excess and any applicable additional excess.
12. Let us instruct a solicitor of our choice to conduct your defence. Follow the recommendations of that solicitor about the conduct or continuation of your defence.
13. Let us talk with that solicitor, when necessary, about the details of the case and the conduct or continuation of your defence.

# You have certain responsibilities at claim time

## After we've accepted your claim

You must:

14. Cooperate fully in any action we take to recover money from other parties involved in your claim.
15. Let us take over for our own benefit and settle any legal right of recovery you may have.
16. Tell us if any person is ordered to make reparation to you for any loss or cost that was part of the claim. Reimburse us for that payment as soon as you receive any reparation.
17. Tell us if any lost or stolen property that was part of the claim is found or recovered. Hand it over to us or, at our option, refund any money paid by us if we request it.

## At any time:

18. Don't start repairing or replacing your house or incur any costs (such as surveyors, engineers, demolition or debris removal costs), without our prior approval.

If you don't comply with your responsibilities under this section, 'You have certain responsibilities at claim time' on [page 49](#), we can decline any claim (and recover any claims payment already made). We can also cancel or avoid this policy.

If we cancel your policy, we'll give you seven days' notice emailed or posted to your last known address on our records. If we do this, we'll refund your unused premium.

If we avoid your policy, it will be treated as if it had never been taken out. We may also avoid or cancel any other policies you have with us.

If we ask, you will have to refund any claims payments we have previously paid to you. If we do this we'll email or post notice of this decision to your last known address on our records. We'll refund, via Slingshot, your entire premium paid less any claims already paid.

# How we'll look after your claim

When you contact us to make a claim we'll:

- 1 Process your claim within the terms of the policy
- 2 Explain how the claims process works
- 3 Explain what we need to go ahead with your claim
- 4 If required, arrange for an assessor, investigator, or other specialist to inspect the loss and explain the procedure that will be followed
- 5 Keep you updated on your claim's progress
- 6 Give you the information you need on how we'll settle your claim
- 7 If we decline your claim, we'll clearly explain why.

# What excesses you may need to pay

The excess is the amount of any claim that you are responsible for.

The excess applies to each event resulting in a claim.

Where loss has been caused on multiple occasions or events, an excess will apply to each occasion or event.

Unless the benefit being claimed says it is excess-free you will need to pay your excess. Your excess and any additional excesses that may apply are detailed on your certificate of insurance and in this policy wording.

Where a benefit specifies an additional excess, that additional excess will apply above any other excess on your certificate of insurance.

# How we'll settle your claim

The maximum per event that we'll settle your claim for is the least of:

1. the actual cost to repair your house
2. the actual cost to replace the actual square metre area of your house before the loss, or the square metre area shown on your certificate of insurance (whichever is the lesser)
3. the sum insured shown on your certificate of insurance.

If the automatic benefit 'Extended sum insured for fire' on [page 24](#) applies, the maximum per event that we'll settle your claim for is the sum insured shown on your certificate of insurance plus up to a further 20% of your sum insured.

We'll settle your claim for loss following the process set out below.

## Economic repair

If we decide it is economic to repair the loss to your house that is covered under this policy, we'll, at our option, choose one of the following:

1. repair the loss to your house, or
2. pay you for the actual repair cost, as those costs are incurred by you, to repair the loss to your house, or
3. pay you in cash the estimated repair cost to repair the loss to your house.

Alternatively, you may elect to receive in cash the current replacement value of the repairs to your house.

After a partial loss to your house that is covered by this policy, your sum insured will reduce by the amount that it would take to repair that loss. We'll restore the full sum insured once the house has been fully repaired. Cover won't be restored if the house suffers a total loss.

## Uneconomic repair

If we decide it is uneconomic to repair the loss to your house that is covered under this policy, the following apply:

1. We'll, at our option, choose one of the following:
  - a. replace your house at the situation, or
  - b. pay you for the actual replacement cost, as those costs are incurred by you, to replace your house at the situation, or
  - c. pay you in cash the estimated replacement cost to replace your house at the situation.

# How we'll settle your claim

2. If it is not legally or practically possible to replace your house at the situation, (including for example; because of local authority laws, or the circumstances surrounding the land) then we'll, at your option, either:
    - a. pay you for the actual replacement cost, as those costs are incurred by you, to replace your house at an alternative site in New Zealand, or
    - b. pay for you to buy another comparable house in New Zealand (excluding the value of the land) provided the cost is not greater than the estimated replacement cost of replacing your house at the situation.
  3. If we choose to pay you for the actual replacement cost, as those costs are incurred by you, you may choose one of the following options instead:
    - a. you may be paid for the actual replacement cost, as those costs are incurred by you, to replace your house at another site in New Zealand (excluding demolition and removal of debris costs unless actually incurred). This is provided the cost is not more than the estimated replacement cost of replacing your house at the situation
    - b. you may be paid for the actual cost of buying another comparable house in New Zealand, including necessary legal and associated costs (excluding the value of the land). This is provided the cost is not more than the estimated replacement cost of replacing your house at the situation (excluding demolition and removal of debris costs unless actually incurred)
  - c. you may receive a cash payment based on the current replacement value of your house, as assessed by us, excluding demolition and removal of debris costs unless we agree otherwise.
4. If you choose to sell your house and land without our prior agreement, your settlement options will be limited and you may choose from one of the following options instead:
    - a. we'll pay you for the actual cost of buying another comparable house in New Zealand including necessary legal and associated costs (excluding the value of the land)
    - b. you may receive a cash payment based on the current replacement value of your house excluding demolition and removal of debris costs unless we agree otherwise.

## In all cases:

1. We'll pay, where necessary:
  - a. the reasonable extra cost of complying with local authority laws and regulations when repairing or replacing the damaged parts of your house. This is provided those damaged parts complied with local authority laws and regulations at the time they were built or altered

# How we'll settle your claim

- b. the reasonable architects', engineers' and surveyors' fees necessary for the repair or replacement, provided they are authorised by us before they are incurred
  - c. the reasonable cost of demolition and the removal of debris including debris that directly caused the loss, and including the contents unless specifically excluded.
2. Where we've paid the demolition and removal of debris costs, we retain any salvaged property.
  3. If you pay your premium by instalments and your house is uneconomic to repair, you must pay the rest of the annual premium before we settle your claim.
  4. If we've been notified of a financial interest in your house, we're obliged to make any cash payment to the interested party (for example, a mortgagee) up to the amount of its interest. This payment counts towards meeting our obligations under this policy.
  5. We'll use building materials and construction methods commonly used at the time of the repair or replacement.
  6. We won't:
    - a. pay more than the sum insured shown on your certificate of insurance, unless the cover provided in the automatic benefit 'Extended sum insured for fire' on [page 24](#) applies
    - b. pay any extra cost of repairing or replacing any part of your house caused by that part not having a legally required building consent when it was built, or that part being built contrary to the building consent issued
    - c. pay for repairing or replacing any part of your house that has not suffered loss
    - d. pay for any neighbouring property's share where you jointly own property such as retaining walls, fences, gates or driveways
    - e. pay the cost of repair or replacement beyond what is reasonable, practical or comparable with the original when built or renovated, other than the cover provided in the automatic benefit 'Sustainability upgrade' on [page 35](#)
    - f. repair or replace your house exactly to its previous condition.

## Assignment

Where you've made a claim for the repair or replacement of your house, you must not transfer any of your rights, obligations, title, interests or benefits under this policy without our prior written consent. If you don't obtain our prior written consent, any transfer is invalid at law.
